Level 1 - Introduction to Tennis

Students will be introduced to the basic skills of tennis, including forehand, backhand, serve & volley. Emphasis is on proper stroke technique while enjoying the game.

Level 2 - Early Intermediate Tennis

Students will be taught stroke production, practice skills, and tennis related games. Focus is on additional stroke development, and an introduction to strategy and rules.

Level 3 - Intermediate NTRP 3.0

Introduction to advanced stroke production such as, topspin and slice, shot placement, and doubles and singles positioning. Work towards directional control.

Level 4 - Intermediate/Advanced NTRP 3.5

Advanced stroke production, such as half-volley and drop shot, and further development of spin and placement. Weekly workouts and matches.

Level 5 - Advanced NTRP 4.0

Advanced strategy techniques which suit your style of play; mastery of power and spin, and strong second serves. Doubles strategy with aggressive net play, and singles strategies with strong directional control.
