Level 1 - Introduction to Tennis

Students will be introduced to the basic skills of tennis, including forehand, backhand, serve & volley. Emphasis is on proper stroke technique while enjoying the game.

Level 2 - Early Intermediate Tennis

Students will be taught stroke production, practice skills, and tennis related games. Focus is on additional stroke development and an introduction to strategy and rules.

Level 3 - Intermediate NTRP 3.0

Introduction to advanced stroke production such as topspin and slice, shot placement plus doubles and singles positioning. Work towards directional control.

Level 4 - Intermediate/Advanced NTRP 3.5

Advanced stroke production, such as half-volley and drop shot plus further development of spin and placement. Weekly workouts and matches.

Level 5 - Advanced NTRP 4.0

Advanced strategy techniques which suit your style of play, mastery of power and spin, and strong second serves. Doubles strategy with aggressive net play and singles strategies with strong directional control.
